Sir,

In forwarding for submission to the Chief Commissioner the accompanying Application for one months leave of absence I have the honor to solicit that Colonel Meade will do me the favor to recommender his Order No 6652/1254 of 4th March 1874 ruling that in future Applications for furlough Leave from the President Invmel Commission shall be regulated by the Rules in force for Covenanted Civil Servants

I would respectfully submit that my appointment as President of the Invmel Commission in no way resembles or corresponds with that of Military Officers on Civil Employ nor does it appears to me Can the Rules for Covenanted Servants be made Applicable to my Case sections XXIII & XXII Chapter VI of the Civil Leave Code Rules that Civil Officers on furlough Leave may

a lien on his substantive Appointment and while on leave he is entitled to a leave Allowance equal to the salary which he would earn if he held or officiated in the Appointment on which he had a lien, and the Local Acting Allowance Code further provides that an Officer officiating in the room of another on leave is entitled to an acting allowance of one fifth of the pay of the Appointment or grade, it would thus appear that a Covenanted Officer can claim one months leave during each year with full allowance during absence and that the extra charge incurred by the extra allowance to the Local acting incumbent must be borne by the Government. It appears to me that under the Municipal Regulations of 1871 now in force that rules such as therein quoted cannot be made applicable to my case. Section XIV of the Regulations distinctly lays down the Amount of leave and Conditions under which the Municipal Officers marginally noted are to be granted leave of absence while at the same time they

provided that no Extra Expenditure from Municipal Funds shall be thus incurred, it will be observed that in the application now submitted it has been necessary for me to make Arrangements for the Conduct of my duty during my absence, Arrangements which if approved of by the Chief Commissioner will not entail any Extra charge on the Municipality, while if leave were to be sanctioned to me under the Covenanted Rules and by which I am entitled to a lien on my full allowances while absent, an Extra Expenditure must necessarily be incurred.

I append Copy of the Section 14 Bangalore Municipal Regulations above referred to for ready reference.
